with Kelly Magowan

Kelly is a graduate of La Trobe University and CEO of the executive job site Six Figures with 12 years of experience working across HR, Recruitment and Career Coaching.

In these uncertain times, it is vital that you plan ahead, and be prepared for change. Whether you lose your job, need to move away urgently, or anything else, you can save yourself a lot of time, and upheaval if you know what you should do when it happens.

Kelly will explore this often overlooked part of working life and will talk through a checklist of vital issues which every employee should think about, regardless of what stage in their career:

- Do you have networks in place?
- Do you understand your financial situation?
- Is your resume ready to go?
- Which jobs would you target?
