

No boundaries, endless opportunities

Kickstart your accounting career and earn while you learn!

Cadet opportunities

Gain hands-on experience, foundational knowledge, and professional mentorship while earning and learning in a supportive environment. Whether you're a recent high school graduate from a bustling city or a close-knit regional community, this 12-month program is designed to equip you with essential skills in accounting, business, and workplace fundamentals. Upon successful completion, you'll have gained valuable skills and knowledge to complement further studies and a promising future in Accounting.

Why us

Findex empowers cadets from diverse backgrounds, including those in regional and remote communities, to build a future in the accounting and professional services industries. At Findex, you'll find a supportive environment that values growth, diversity, and inclusion, making us the perfect choice to start your professional journey and unlock your full potential.

Earn while you learn

Kickstart your career with paid, hands-on experience and a structured development program to gain industry-relevant skills.

Tailored mentorship

One-on-one guidance and support from experienced professionals to help you navigate your career journey.

Flexible career pathways

Choose your path with opportunities to transition into a Trainee role, pursue further studies, or grow within Findex's dynamic teams.

Grow your career from anywhere

Join a national firm with a local focus, offering exciting opportunities for graduates from metropolitan, regional, and remote communities.

Ready to kickstart a rewarding career in accounting without following the traditional university pathway?
